**Website Report:** we renewed our subscription with the current website for 1 Year and also paid to Keep Mary's information confidential. We are still continuing to look into another website. MARY is our rock! We have no idea what we would do without her.

THANK YOU

Maybe Mary can take out the link on the webpage that seems to give us from grief. Tom thought maybe have just an events email address that he and Scott would have access to.

Tom and Scott will need to change some information on the website, and banking info

**Library:** No new magazines. Ron returned his magazine and so did Tom

**Committee (Events)** upcoming Fall Auction Sunday October 15th, 2023

J & R aquatics having an event on August 19<sup>th</sup>. GBAS was offered it free, so Tom will take some of our GBAS info and some fish to the event.

**Old Business:**

5013C still working on.

GBAS cleaned out the storage unit. Moved to the temporary unit until end of September, then will have another unit that is smaller and cheaper to rent all set to go.

**New Business:** We will have our fall auction, on Sunday October 15<sup>th</sup> and a back up date is October 8<sup>th</sup>. at **Bubolz Nature Center**. They will set up the room the way we would like it and take it down. Rental Cost is \$435.19 with taxes. Ok to have Scott send in payment. Club members to arrive at 9:00am and Sellers can start to arrive at 9:30am.

Brown County Library reached out to Tom and they are looking to have another fish tank set up at

Their east side location. They already have a tank, stand, light, heater, filter and decorations. They

Will need someone to set up and some fish. We will hold off until after the auction. We need to also check on the size of the location for the tank and if there is a sink located close by.

It was discussed that maybe Mary could come and give a demonstration to Tom and Scott on how to log auction information on the computer before the fall auction. Tom will reach out to Mary.

Tom also mentioned that if we do not get a new webmaster he might take over that responsibility.

**BAP/HAP/CAP award points:** Tom

**Project report: nothing None**

**Group Buys:** nothing

**Auction of the BAP/HAP/CAP:**

Nothing was brought today for auction.

**Open Forum:** And general conversations about fish. Tom has baby Discus fish that he is hoping to bring  
To a meeting and auction.

Tom went to the ACA in Middleton and said it very nice. Fish were in tanks and not bags, they had a fish  
Show, and the fish were judged. If you wanted to buy fish that was kind of an odd thing.

**Next meeting will be.** Wednesday September 13, 2023

7936 Ashwood Court. Neenah, WI

**Meeting Wrapped up at: 8:10pm**
